Drive**

# What's up for 2025

Since its inception in 2016, Emporia First Friday's monthly Art Walk has helped foster professional development for local artists, boost the local economy, and promote cultural growth. 2024 was a fantastic year for art in Emporia, and we have plenty of plans to help that momentum grow in the new year.

## Artist Development and Resources

Along with our Print Lab and Frame Shop, we are working on our Artist Development Hub, which will provide opportunities for artists to learn more about showing their work and the business of art.

## Community Art

We are big advocates of community art and will continue to partner with the Community Art Alliance and other groups to assist with more opportunities for public art.

## Community Collaboration

Connecting artists to the community is our mission and we will continue this in 2025, with an eye on collaborations that benefit artists, local business, and, of course, Emporia.

We are always looking for ways to enhance the Art Walk and will continue with our mission as we help Emporia thrive.

# How YOU Can Be Involved

We invite everyone to be involved and join us at First Friday Art Walks as a walker, a participating Downtown venue, or an artist!

Another important way to be involved is by making a donation to Emporia First Friday. Your financial support helps us continue the effort it takes to coordinate Art Walks and art opportunities. Find out more about EFF Partnership levels and benefits at [emporiafirstfriday.com](http://emporiafirstfriday.com).

We are looking forward to another amazing year at EFF and hope you'll consider joining us and support our efforts of engaging art, business and community.

## Partnership Levels

We appreciate our community so much! When you become an EFF Partner, we give plenty of shout-outs to let everyone know that you support art in Emporia.

All Partnership Levels include the limited edition EFF T-shirt that lists Platinum and Gold Partners on the back. Platinum, Gold and Silver Partners will also have their name or business logo on the EFF Headquarters' door at 715 Commercial.

**The deadline to receive a T-shirt and be included on the T-shirt and/or Donor Door is **APRIL 16, 2025**.**

**Platinum** → **\$2,000**

**Gold** → **\$1,000**

**Silver** → **\$500**

**Bronze** → **\$250**

**Copper** → **\$100**

The success of Emporia First Friday relies on community involvement and we want **YOU** to join us!
